Hello young lovers
Honeysuckle Rose
How about you
How high the moon
How Insensitive
How long has this been going on
I ain't got nobody
I can't believe that you're in love with me
I can't give you anything but love
I don't know enough about you

I double dare you
I fall in Love too easily
I found a new baby
I get a kick out of you
I got it bad (and that ain't good)
I got rhythm
I love the way you're breaking my heart
I let a Song go out of my Heart
I love Paris
I wanna be loved by you
I won't dance
I'll see you in my dreams
I'm beginning to see the light
I'm getting sentimental over you
I'm in the mood for love
I'm through with Love
I've got a crush on you
I've got a feeling I'm falling
I've got my love to keep me warm
I've got the world on a string
I've heard that song before
If I had you
If I should Lose You
In a mellow tone
In a sentimental mood
Isn't it a pity
Isn't it romantic
Is you is, or is you ain't my baby
It don't mean a thing
It had to be you
It's Alright With Me
It's a sin to tell a lie It's alright with me
It's de-lovely
It's only a paper moon

I've got you under my skin
Jeepers Creepers
Just a gigolo
Just one of those things
Just you just me
Kiss to build a dream on
Lady be good
The Lady is a tramp

These foolish things
They can't take that away from me
This can't be love
Three little words
Undecided
Unforgettable
Walking my baby back home
Warm in December
What a little moonlight can do
What a wonderful world
What is this thing called love?
When it's sleepy time down south
When Sunny Gets Blue
When you're Smiling
Why don't you do right?
Wouldn't it be lovely?
Wrap your troubles in dreams
Yes sir that's my baby
You do something to me
You don't know what love is
You made me love you
You'd be so nice to come home
